

<p>June 6, 2012 6:30-8:30 PM</p>	<p>EVERYTHING YOU NEED TO KNOW ABOUT FACELIFTS PAUL STANISLAW JR, M.D Did you know that you could have a complete facelift under local anesthesia, instead of general anesthesia? Join Dr. Paul Stanislaw, a board-certified FACIAL PLASTIC SURGEON, for an in-depth discussion about facelifts. Dr. Stanislaw specializes in cosmetic surgery of the face, and he will review different types of facelifts, necklifts, and browlifts. There will be a presentation of before-and-after photographs, followed by a question and answer period.</p>	<p>Saint Francis Care at Ellington 137 West Road Ellington, CT 06029</p>
<p>June 20, 2012 6:30-8:30 PM</p>	<p>LIQUID FACELIFT PAUL STANISLAW JR, M.D Do you look in the mirror and see deep folds of skin or hollowness throughout the face? These common signs of aging are caused by facial volume loss and loss of skin elasticity. This seminar is perfect for the person who would like to resolve these common aging concerns without surgery. See how focal fillers and bio-stimulators can replenish facial volume loss. A live injection demonstration will follow this presentation. Paul Stanislaw is a Board Certified Facial Plastic Surgeon practicing exclusively in surgery of the neck & head. You won't want to miss this very informative seminar on Liquid Facelifts</p>	<p>Saint Francis Care at Avon Center for Health Advancement 35 Nod Road Suite 103 Avon, CT 06001</p>
<p>June 27, 2012</p>	<p>ADVANCED SKINCARE PAUL STANISLAW JR, M.D Paul Stanislaw, a Board Certified Facial Plastic Surgeon will discuss what causes aging and what you can do to minimize & prevent signs of aging. Kristen Marino, our Licensed Medical Esthetician will be joined by guest speaker Kathryn Fazzari to discuss physician-grade skincare products. Learn how 30 years of academic research produce the best antioxidants and what sets them apart from over the counter products. This unique opportunity puts you in the hands of experts to design synergistic treatment combinations for enhanced results. Each participant will leave the program with a trial size basic skincare kit tailored to your skin type. Since this is an interactive workshop we will need to limit this workshop to 12. A \$30 Entry fee includes the cost of the take-home skincare kits.</p>	<p>Saint Francis Care at Avon Center for Health Advancement 35 Nod Road Suite 103 Avon, CT 06001</p>
